Seton Catholic Prep **MICHAEL EUBANKS STADIUM CAMPAIGN**

POWER of 72

What is The Power of 72?

At Seton Catholic Preparatory High School, the Power of 72 refers to the number on a football jersey—and the memories left by the man who wore it.

Michael Eubanks '86 walked the halls of Seton first as a student, then as a teacher, coach and athletic director. He was a mentor, a beloved friend and an alumnus who epitomized Seton Pride. We would like to honor his memory at the place that was so dear to his heart and where his legacy lives on.

We are pleased to be working on a project that will enhance the Seton campus, our athletic programs and the overall experience of our students. Once completed, the football stadium will be dedicated and re-named the **Michael Eubanks Stadium**. Our wish for the Eubanks Stadium is that it will be a place for sports as well as a gathering place where future generations can enjoy the camaraderie of friends and the traditions of Seton Catholic.

A group of dedicated parents has been working tirelessly toward raising the funds necessary to complete this project. An estimated \$500,000 more is needed to make it a reality. Monies have already been secured for the press box, security fencing, and related hardscape items. Visitor bleachers have been obtained and will be installed soon. What remains to be done is the installation of an all-weather track, the concessions/restroom building

and a secured main entrance to include a memorial to Michael.

Michael Eubanks left a spiritual and indelible mark on the history of Seton Catholic Preparatory High School. His passion for life and learning as a student grew into a dedication to his own students as a teacher, mentor and friend. The Seton Catholic community will be forever grateful for having enjoyed and learned from his presence. The **Michael Eubanks Stadium** will always be full of energy—just like Michael. And we can be assured that his spirit will be present at every turn and in every corner, cheering on today's athletes just as he did for countless others.

Michael was excited about the growth of the campus and wanted to be a part of it. Help us keep his spirit and love of life alive through this project. The power of your gift, together with the power of his memory, will bring the stadium to reality for all to enjoy.

Please consider a gift, either to the stadium project itself, or to the Michael Eubanks Scholarship Fund, which benefits students of Seton. No gift is too small and every gift allows us to proceed toward our goal.
